In re Application of
Sakairi
Application No. 09/546,719
Filed: April 11, 2000
Attorney Docket No. JP90055

DECISION ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed October 31, 2006, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned as a result of a decision by the Board of Patent Appeals and Interferences. Notice of Abandonment was mailed September 26, 2006

A grantable petition under 37 CFR 1.137(b) requires: (1) The reply required to the outstanding Office action or notice, unless previously filed; (2) The petition fee as set forth in § 1.17(m); (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Director may require additional information where there is a question whether the delay was unintentional; and (4) Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

The petition has been carefully reviewed and found to have met the requirements of 37 CFR 1.137(b). Accordingly, the failure to timely reply to the final Office action is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3205.

This application is being referred to Technology Center 2100 for further processing.
